

Temporary Revision of Admissions Policy and Procedures in response to Covid-19 for the 2021/22 Admissions Cycle, approved by the Academic Senate on October 22, 2020

Due to health and safety concerns related to Covid -19, English Language Testing has been suspended in many accredited test centers around the world.

The two most commonly used and widely accepted test types, IELTS and TOEFL, have offer remote exams to accommodate test takers needs while being mindful of their safety ([TOEFL iBT Special Home Edition](#) and [IELTS Indicator](#)).

While the two tests are not equivalent to the standard on site versions of TOEFL and IELTS academic, they are sufficiently reliable to assess language competencies of applicants, especially if complemented by a personal interview within the framework of academic assessment by the departmental selection committee.

Recommendations

CEU revises the Admissions Policy with immediate effect to include [TOEFL iBT Special Home Edition](#) and [IELTS Indicator](#) as a proof English proficiency for the 2021/22 admissions cycle.

The required minimum scores are as follows:

	BA	MA	PhD
IELTS Indicator	6.5	6.5	7
TOEFL iBT Special Home Edition	88	88	100

The **DET language test** that CEU temporarily recognized during the 20/21 admissions cycle based on a Senate endorsement on March 20, 2020, is **extended for the 21/22 cycle**.
